Piergiorgio Di Pasquale

Highly motivated and enthusiastic graduate with a great desire to learn and eager to leverage my passion for business analytics. Experienced with Python, R, Salesforce, SQL, Tableau and many other analytical tools.

Work experience

Data & Analytics Consultant May 2022 - Dec 2022
PriceWaterhouseCoopers, Milan

My work consisted in creating data integration and cloud base solutions. Main tasks:

- Retrieve, transform and clean (ETL) data with Python, Salesforce (SQL) and DataWeave;
- Evaluate the company's "data needs" and develop APIs to address them;
- Preparation of technical documentation with direct customer contact with full responsibility;

The projects led to the development of complex, more efficient and complete APIs

Education

Master of Science in Financial Managment and Data Analytics Sep 2020 - Feb 2023
Università Commerciale Luigi Bocconi, Milan

- Major in Data Analytics
- GPA: 27.5/30.0
- Final dissertation: "Material Disclosure and Market Reaction: Topic Informativeness from 8-Ks "
- Core courses: Fair Value Valuation, Big Data Analytics, Fraud Detection and Risk Assessment

Bachelor of Science in Economics and Managment Sep 2017 - Sep 2020
Università Luiss Guido Carli, Rome

- Major in Data Analytics
- Degree grade: 110/110
- Core courses: Econometrics, Financial Market Analysis, Financial Statement Analysis

Extra-curricular activities

Member of Research Team Sep 2020 - Jul 2022
Bocconi Student for Data Science (BSDS), Milan

- Helped organizationing events and hackathons;
- Wrote articles for the Linkedin and Instagram page of the association;

Accademic tutor Jan 2017 - Present
self-employed, Milan & Rome

- Starting from the 2nd year of university, I have regularly given private lessons in mathematics, statistics, financial mathematics and corporate finance.

Certificates

- Anypoint Platform Development with DataWeave (PriceWaterhouseCoopers- 2022)
